

Wholesaler for deep frozen organic food

## Conditions of purchase

We only sell to traders and resellers — a sale to private persons is not intended. Written proof that you are a commercial customer must therefore be provided to Ökofrost.

### Labeling

Since different countries may have different regulations for the declaration of products: If necessary, you might have to print and apply labels in your language on the products. For country-specific labeling options on our part: don't hesitate to contact us.

### Transport and delivery

You can pick up goods on your own behalf at our deep-freeze warehouse in Germany:

**Ökofrost GmbH**  
c/o ARYZTA Food Solutions GmbH  
Alfred Nobel Strasse 22  
59423 Unna

If a delivery by us is desired: we will be happy to make an offer.

### Prices and payment

Our prices, about which we will inform you separately, are valid for the self-organised pickup of goods in our warehouse in the city of Unna — unless otherwise agreed.

Terms of payment: Please contact us for individual solutions.

The General Terms and Conditions of Business of Ökofrost GmbH apply in all cases — available at [www.oekofrost.de](http://www.oekofrost.de).

### Delivery conditions for non-EU countries

A trade transaction with countries outside the European Union requires special handling (transport, insurance, customs). Therefore, the costs must be agreed upon in advance between the exporter and the foreign importer. These terms of delivery must be agreed upon individually when the business relationship is established and are subject to the country-specific regulations.
