Cakes

Vegan, gluten- and lactose-free

Vegan cakes without egg, wheat flour and dairy products. Due to the juicy base made with rice flour, the cakes are also a pleasure for gluten allergy sufferers.

From an Italian family business

Near Lake Garda, Stefano Stanghellini creates vegan cakes in his family business with a team of about 40 people.

Ideal for the festive season

Whether deliciously creamy or fruity-sweet - our cakes are a highlight for every coffee table or as a delicious dessert for the festive menu.

Gelato Italiano

Handcrafted

In the small manufactory La Via Lattea in the Sabine Mountains near Rome, the Biopolar ice cream is produced with lots of love and experience. Owner Fabrizio is a perfectionist when it comes to ice cream creation. For a long time, he searched for the best ingredients and recipes that make our ice cream taste so deliciously creamy and natural.

Made of exquisite ingredients

Preferably, the ingredients come from partners Fabrizio knows personally. Milk and cream originate from the surrounding regions of Lazio and Umbria, lemons from Sicily and hazelnuts from Piedmont.

Compostable cup

We are particularly proud of the 100 percent compostable cups, made from renewable resources.
